Extended Hours Service – May be available from time to time in appropriate circumstances. Details will be advised by website, email and blackboard.

Lunch Breaks - When only one launch is working, the Launchman will take an hour's break between 1300 and 1400. When two launches are working the service will run during lunch times.

Contacting the Launch - Members should always call the launch, channel 37 (M1) Callsign YC1, from the Club's fixed VHF set or on their handheld VHF's. The launches have AIS fitted, please use the Marinetraffic App or the WMYC website to monitor the launch positions to minimise radio traffic.

Charges- The Launch service is free to our members and their guests. Visitors are charged £10 for vessels up to 30ft and £15 for 30ft and over.

Mooring Strops - Would members please advise the launchmen, before their boat is launched, so that strops may be put on their moorings.

Philip Woods – Rear Commodore (M&B)
