**Contacting the Launch** – Members should always call the launch, channel 37 (M1) Callsign YC1, from the Club or from their own VHF. The launches have AIS fitted, please use the Marinetraffic App or the WMYC website to monitor launch positions, minimising radio traffic.

**Charges** – The launch Service is free to our members and their guests.

**Mooring Strops** – Would members please advise the launchmen, before their boat is launched, when it is to be launched, so that strops may be put on their moorings.
